

Livingston County

Agriculture & Farmland Protection Plan

IT'S ALL ABOUT HAVING A PLAN!

The Livingston County Agriculture and Farmland Protection Board is updating the County's Farmland Protection Plan! This plan will analyze the problems Livingston County Farmers face everyday and recommend actions to support and protect Livingston County agriculture.

LIVCO FARMERS, WE NEED YOUR HELP!

Nobody knows Livingston County Agriculture better than it's Farmers and Ag Professionals. Make sure your voice is heard by scanning both QR codes below to fill out the surveys and help us develop a better plan.

FARMER SURVEY:

Tell us about your operation and the challenges and opportunities facing our farming community. This survey should take approximately 10-15 minutes to complete. All responses are confidential and will be used solely for planning purposes.

FARM TECHNOLOGY NEEDS ASSESMENT:

Livingston County is exploring ways to better support our agricultural community by finding out what technology resources, training, and services would help farm operations grow and expand.
